## **48th Telecom Operations Conference (TOC) and Showcase...**

May 11-13, 2010 at the Holiday Inn, 3803 13th Avenue South, Fargo, North Dakota. The TOC Golf Outing will be held Monday, May 10 at the Moorhead Country Club, Moorhead, Minnesota.

Minnesota is serving as host state this year. Chairing this year's TOC Steering Committee is Robert Olson, General Manager, Emily Cooperative Telephone Company. The North Dakota Telephone Association (NDTA) will coordinate the conference and all inquiries relating to the TOC should be forwarded to NDTA.

The annual TOC Golf Outing will be held Monday, May 10 at the Moorhead Country Club. The outing is limited to the first 180 entrants so you must return your entry form and fee as soon as possible. Details on the golf outing are attached to this email notice. All inquiries on the golf outing should be emailed to [tocgolf@rrt.net](mailto:tocgolf@rrt.net). Red River Telephone will be organizing the golf outing.

We are giving the telephone companies the opportunity to submit company photos for the annual TOC Slide Show. No limit on photos. See the separate attachment for information on submitting photos for the slide show.

Conference registration will be handled by NDTA. **You must be registered to attend any part of the TOC, including the Tuesday morning Sessions and Workshops.** Anyone not wearing the 2010 name badge will be asked to leave the session, exhibit area or socials.

Complete the registration form and return it by email ([pat@ndta.net](mailto:pat@ndta.net)), fax (701-223-6023) or mail to NDTA. Advance registration is \$75 per person. On-site registration is \$150 per person. Registration fees are payable in advance and are non-refundable after May 3. There is no cut-off date to register but your early registration assists us in the planning process. Try to send in your registration by April 1. If you have a cancellation or want to substitute a name, please forward the new information to NDTA by phone, fax or email.

Spouses/guests are not charged a registration fee, but must register so we can prepare the required name badge and to assist us in getting an accurate count for food and beverages.

The conference agenda has something for everyone, lots of timely topics and top-notch speakers. The Showcase will provide you the opportunity to learn about today's products and services and meet the sales reps. The program will be updated regularly and listed on our web site. You will receive a program booklet when you visit the registration table at the conference.

See you at the TOC!

***We would  
like photos  
from your  
Company  
for the TCC  
Slide Show!***

Send us your company photos and we will put together a slide show to be shown before the opening of the TCC conference on Tuesday afternoon and at the supplier-sponsored social hour on Wednesday evening.

Photos, such as employee recognition photos, employee group photos, company headquarter photos, construction photos, community and civic involvement photos are welcomed. There is no limit on the number of photos to submit. If you want to identify the photos with your company logo and a caption (optional), please do so. Or you can email the photos and attach a word document listing the caption for each photo or the event surrounding the photo and we will do the rest.

Jeanne Wilber of Melrose Telephone Company will put together the slide show. Please e-mail your photos and captions/logo to Jeanne at [jwilber@cmit.net](mailto:jwilber@cmit.net) or you can send them to me at [pat@ndta.net](mailto:pat@ndta.net) before March 31 and I will forward to Jeanne.

Thank you in advance for participating and making the slide show the best ever!
