Dawn's previous speaking engagements have ranged from: American Crystal Sugar, Agassiz Seed & Co., Carrington Farm Bureau, CenDak Coop., Devils Lake and Grandon Fire Departments, ND Fire School-Minot, Integrity Windows, ND Grain Dealer's Assoc., North Dakota Safety Council, NRASP, Titan Machinery, The Gavilon Group, Maple River Grain & Agronomy, Workforce Safety Insurance (WSI), and many more.

Dawn, with the help of her now three grown children, tell the real life story of the day their world changed forever. Bill, Dawn's husband of 17 years; made a split second “If Only” decision that engulfed, entrapped, and entangled him in a grain bin.

The 45 minute presentation will walk you through that routine day, which is forever etched in Dawn's mind. Providing visual and emotional details impacting and connecting with each audience member and having them question their own daily choices.

Dawn's ultimate goal: “If one life can be saved from Bill's fatal decision, by me reliving this day over and over again with each presentation then it is all worth it.”
